Available by private charter on either Shooting Star or StarStruck, this is the fastest, most luxurious and comfortable way to view the ocean's most fascinating mammals. You can now be up close and personal with these graceful giants as they breach, dive and bubble feed!

We'll whisk you away to Nantucket Island in only an hour. Walk the charming cobblestone streets, visit quaint shops and galleries and dine at one of the Grey Lady's many seaside restaurants.

MARTHA'S VINEYARD CHARTER

The natural beauty of Martha's Vineyard's pristine beaches, clay cliffs, historical and cultural attractions, exquisite dining and one-of-a-kind boutiques provide for a perfect day trip.

FISHING

You will join one of our knowledgeable and experienced captains to fish the Monomoy rips and nearby ocean water surrounding Chatham in search of striped bass, bluefish, black sea bass, bonito, and false albacore. Our 34' Regulator StarStruck is fully equipped with top-of-the-line electronics and the finest fishing tackle. Your captain will create a memorable fishing experience and gladly clean your catch and deliver it to the resort's kitchen for our chefs to prepare for a nominal fee. Fishing trips are available for 3 or 5 hours.

MORNING SEAL CRUISE

Aunt Lydia's Cove is home to hundreds of gray and harbor seals. This tour is an opportunity to see them up close and learn about their eating and migratory habits. You may see them on the sandbars at low tide basking in the sun or frolicking in the water at high tide. This cruise also takes you past the Chatham Lighthouse and the Chatham Fish Pier.

EVENING HARBOR CRUISE

Sit back and reflect on the day's events while taking an early evening cruise along the picturesque Chatham coastline.

Sailing Trips

PRIVATE SAILS

A late-morning or late-afternoon sail is a wonderful way to enjoy sweeping vistas of Chatham's coastline. You'll sail past the historic Chatham Lighthouse and North Beach Island, part of the Cape Cod National Seashore. These sailing trips are available for 1 or 2 hours.

SAILING INSTRUCTION

Available upon request, our instructors will provide guests with basic sailing instruction in a safe and fun environment. The goal is for each guest to develop skills while building knowledge and confidence. Learn basic boat handling, terminology, rigging and sail trim. Participants must be 7 years of age or older.

LOBSTAR

LOBSTERING

Experience the daily routine of a lobsterman as you participate in the excitement of hauling, emptying and baiting the traps of LobStar. The captain will gladly deliver your catch to the resort kitchen for our chefs to prepare, for a nominal fee.

RECEIVER CRUISE

Spend the morning looking at Chatham Harbor as a shark researcher would. Explore the sandbars where gray seals haul out, looking for evidence of predation. Cruise to the lighthouse to view where the local research crew spends most of their days down in "shark cove," and have the opportunity to bring up a shark receiver and analyze the data to see where the white sharks have been. The tours are led by the Atlantic White Shark Conservancy and proceeds from this excursion will be donated to the Conservancy to help fund the ongoing research and conservation of white sharks in the area.

PRIVATE CHARTERS

In addition to a variety of scheduled cruises, our BarTender boat may also be reserved for private charters and cocktail cruises for parties of up to 18 passengers. Perfect for a bachelor or bachelorette party, birthday party, wedding photo shoot and more.
